

GERM FREE HOSPITAL LINEN

WE TAKE RESPONSIBILITY

RAL QUALITY CERTIFICATION MARK 992/2

HOSPITAL LINEN

incl. RABC management according to EN 14065

**WE TAKE
RESPONSIBILITY!**

YOUR KEY TO PROCESS AND HYGIENIC SAFETY

- The RAL-GZ 992/2 quality mark proves **CONTINUOUS AND RELIABLE HYGIENE** for linen from healthcare facilities, such as hospitals, care facilities, rehabilitation clinics, etc.
- The RAL-GZ 992/2 hygiene certificate is only awarded to laundries with **PROVEN PROCESS MANAGEMENT** according to RAL-GZ 992/1 for commercial and domestic linen
- The RAL hygiene certificate serves as proof in the healthcare sector for meeting the **ROBERT KOCH INSTITUTE REQUIREMENTS** for subcontracting of laundry to external service providers
- Benefit from the **EXPERTISE** of over 400 affiliated textile service companies
