

Hohenstein Hardlines Greater China One-stop Service

Our Hardlines laboratory in Kwai Chung, Hong Kong, is fully accredited in compliance with ISO/IEC 17025:2017 by DAkKS and IAS.

Our new Hardlines laboratory in Pujiang, Shanghai, opened in May 2024, will continue to extend our service range for wider Hardlines products.

We maintain locally our level of expertise and we align technical interpretations and test methods with our Headquarters laboratory in Germany.

Our expert team in Shanghai and Hong Kong offers a diverse range of tests and reliable customised services for Greater China companies with end-to-end solutions and competitive prices.
